AGENDA	
<b>4018</b>	<b>Apologies</b> To receive and accept apologies for absence.
<b>4019</b>	<b>Declarations of Interest</b> To receive declarations of disclosable pecuniary interests, and the nature of those interests relating to items on the Agenda.
<b>4020</b>	<b>Minutes</b> 1) To Agree and Sign the Minutes of the Planning Committee meeting held on 13 Aug 2019 <ol style="list-style-type: none"><li>a. S73 application to Cambs CC Waste Recycling, Buckden Road Brampton</li><li>b. 19/01386/HHFUL 14 Mill Road</li></ol> 2) Matters Arising
<b>4021</b>	To note:  1) 19/01567/TREE Felling of protected Alder trees 39 to 37 Ouse Valley Way, Buckden Marina PE19 5QS The felling of these trees is part of ongoing reinstatement work on this section of the Buckden Marina site. The landowner (MW Leisure Estates Ltd) and leaseholders have confirmed that they will comply with the felling and replanting plans for this section of the site already agreed with the HDC Arboricultural Officer. The Parish Council therefore has no objection to the proposed work.  2) Ref 19/00793/S73 - 7 Marina View PE19 The Parish Council considers that there should be no change to our recommendation to refuse the leaseholder's request for a variation to Condition 1. We note that the EA have already asked HDC <u>not</u> to amend the requirements of Conditions 5 & 6 i.e. in relation to flood protection. <ul style="list-style-type: none"><li>• We support the objections to works that will potentially increase the flood risk on this site, adjacent to a public footpath.</li><li>• We are concerned by the full extent of the impermeable ground cover and the effect on the water run-off through the construction works raising the actual land levels on the site (rather than drawn hypothetical levels) and using above ground-level gabion baskets in place of the sloped earth bank.</li></ul>

	<p>3) New dwelling to rear garden, new entrance to highway and all associated works Site Address: 27 Perry Road Buckden St Neots Reference: 19/01600/FUL (comment sent 04Sep 19) – <i>Buckden Parish Council Planning Committee recommends refusal.</i> <i>This is a backland development and its position is not consistent with adjacent properties, affecting the density of buildings.</i> <i>Access to this development would be via a driveway going past what look like habitable windows and could therefore affect the amenity of no 27 itself, including noise and the potential for overlooking/loss of privacy.</i> <i>We note the plan to create an additional access onto Perry Road and are concerned that may affect highway safety.</i></p> <p>To Consider:</p> <p>1) Demolish existing garage and build single storey side and rear extension.
